

AG BIZ MASTERS

Year 1 Curriculum Highlights

Ag Biz Masters is an FSA Certified interactive learning series designed specifically for young and beginning farmers. The two-year program takes a blended learning approach with on-demand, eLearning modules and three live webinar connection check-ins. For each online module, you should budget one to two hours to watch the module and complete the associated activities. Module exams will allow you to personally assess your comprehension and understanding of the materials presented. Your class runs from January through March 2026.
